Inspection Text

This was a follow-up inspection to authenticate appropriate compliance with the order noted on inspection report #2011165890015.

The employer has revised Standard Operating Procedure 5.03 to reflect the use of the Personal Alarm Transmitter (Revision Issued Date: April 4, 2011). This revised SOP documents which staff members are required to wear the PAT device.

In addition, this revised SOP also includes a system to ensure that workers are wearing the PAT device in accordance with the organization's procedures and measures to document compliance related issues regarding the wearing of the PAT device.

The order on the above noted inspection report has now met compliance. An electronic copy of the revised SOP 5.03 has been attached to this inspection report.
