Inspection Text

Comments issued on: Aug 15, 2007

A review of the order(s) cited in this inspection report has determined that further enforcement action is not necessary at this time. This decision relates only to this inspection date, location and order(s) noted on this inspection report. A follow-up inspection may occur and/or a Notice of Compliance document may be required to authenticate compliance with the order(s) noted.

Issued on: 2007/07/05

Follow-Up Text

=====

This was a follow-up inspection to authenticate appropriate compliance with the order(s) noted.

An incident investigation was performed by the Joint Health and Safety Committee members.

The incident investigation indicates that the process of bed placement/classification of inmates needs to be reviewed.

An inmate was identified by other inmates that he should be removed from the unit.

The inmate was sent to classification for a review of his unit placement. After the classification review the inmate was returned to his original unit.

On the following day, the correctional officer who sent the inmate to the classification review was assaulted by this inmate.

As per the incident investigation a review will be completed on or before August 1, 2007
