

## Bargaining Committee Member Nominee Biography - Zenobia Wall

My name is Zenobia Wall and I have been working as a Dietary Server on the Care floor, at Chartwell Willow Manor for 7 years. I am an incredibly passionate and hard working individual, and my primary goal on this committee is to ensure that every employee is treated fairly. I am also inspired to create a positive work environment, and work to ensure the well-being of not only our residents, but my colleagues as well.

Being in this position for 7 years has provided me with a significant amount of knowledge and experience at Willow Manor, and the employee dynamics. It has allowed me to connect with many different people, and gain experience in multiple areas outside of my current role, such as working as a server upstairs in Independent Living, and working in the kitchen as a dishwasher. This is also why many of my colleagues are in support of me stepping into this role in the Bargaining Committee. I am a reliable employee and if elected I will do my best to fight for what we deserve. Thank you for your consideration.

Sincerely,

Zenobia Wall
