**Over the next few months and years, I would like to continue my work together with you to:**

- Advocate for bargaining resolutions you want
- Improve communication between Workers of Colour and senior Union leadership
- Raise the profile of Workers of Colour within our worksites, our Union, and our communities
- Identify and address issues faced by Workers of Colour within our worksites

*The ideals of caring, collaborative leadership, sharing, fairness, feminism, equality, solidarity, and most importantly, justice for all, have laid an enduring foundation for my activism and my passion for social justice values.*

**COMMITTED • CAPABLE • COLLABORATIVE**
