

Biography for Eloise Fix

Position Seeking: Member at Large

I have been with the Ministry of Social Development for 36 years in various positions starting as an Employment & Assistance Worker, Verification Officer and now as an Investigative Officer. Also I have worked in different areas of the province- New Westminster, Prince Rupert, Vancouver, Surrey, Maple Ridge.

I have attended union meetings and done union activities such as Member to Member whenever possible. I have been a steward, I am a Union Counsellor, I have been the union representative on Health and Safety committees, and I am currently a member at large and am seeking re election to this position.

This is an exciting time to be involved in the union. I have the experience. I have been through three strikes in my career. I was an assistant picket captain in the last strike.

I plan to continue working for you and earning your vote by attending all union meetings, as I have been doing. I will continue to assist our component executive in any task assigned.

Thank you for your consideration.
