Re: Bargaining Update

Negotiations for a renewal agreement commenced with your employer on February 16th and March 9th in Burnaby. There has been a full exchange of all the non-monetary proposals and some success made on language issues, such as the use of email and gender neutrality. Some of the other issues still outstanding include: job security, lateral transfers and job postings.

More bargaining dates have been scheduled for March 22nd and 23rd, at which time we hope to make further progress on these outstanding and important non-monetary issues, and also table our monetary demands. Stay tuned for an update following those meetings.

To help ensure you receive a copy of bargaining updates please provide a personal email address to the BCGEU at <http://www.bcgeu.ca/update>. If we already have an email address on file for you and you wish to edit or update any of your existing contact information, you can use the same form.
