**PLACE OF HEARING:**

**Vancouver, BC**

WHEREAS:

- A. The Union filed a policy grievance and multiple individual grievances (as above, collectively the "Grievances") relating to the Employer's failure to maintain an accurate payroll system;
- B. The Parties met in front of myself, Arbitrator Ken Saunders, on May 4, 2019;
- C. The Employer and the Union were able to settle their differences and based on the submissions of the parties, I am satisfied that the terms of settlement are not contrary to the *Labour Relations Code* or the Collective Agreement and the parties have requested that I issue the following Consent Order.

NOW THEREFORE, I ISSUE THE FOLLOWING ORDER BY CONSENT:

- 1. Effective May 4, 2018, The Employer's payroll department will follow the "BCGEU Accumulators" document, attached as Appendix "A" to this Award.
- 2. The Employer will present to the Union by May 14, 2018:
  - a. the results of its reconstruction of the BCGEU vacation banks and entitlement from 2015 to present;
  - b. the Employer's proposed plan for paying out excess banked amounts (not including carryover) from previous years; and
  - c. the Employer's proposed plan for calculating vacation pay and entitlement correctly into the future.
- 3. If the Union agrees to the Employer's vacation reconstruction and the Employer's proposed fixes to the vacation errors as set out in paragraph 2, the changes will be implemented immediately. The Employer will send to each employee their current vacation and sick bank entitlement. The Employer will pay out excess banked vacation amounts determined by the reconstruction within two pay periods following the Union's agreement.
- 4. The Employer will not seek repayment from any employee for vacation pay that has already been paid out, as a result of the Employer's vacation reconstruction as of the date of implementation in paragraph 3.
- 5. If the parties are unable to agree on the vacation reconstruction and the fixes to the vacation errors as set out paragraphs 2 and 3, a conference call will be scheduled with Arbitrator Ken Saunders to resolve the issue.

6. The Employer acknowledges and will follow the following rules for overtime and statutory holidays, from the 2014-2019 Collective Agreement:
  - a. Employees scheduled under Article 14 (e.g. schedulers) are paid overtime after 7.5 hours in a day and 37.5 hours in a week.
  - b. Community Health Workers scheduled under Article 15 are paid overtime after 8 hours in a day and 40 hours in a week.
  - c. For all employees, the first two hours of daily overtime are paid at 1.5 times their regular rate of pay, and daily overtime hours in excess of 2 hours are paid at double time.
  - d. For casual employees, the first two hours of weekly overtime are paid at 1.5 times their regular rate of pay, and weekly overtime hours in excess of 2 hours are paid at double time.
  - e. Regular employees scheduled to work on their day of rest are paid double time for all hours of work.
  - f. Employees scheduled to work on statutory holidays are paid 1.5 times their regular rate of pay for the first 8 hours, and 2.25 times their regular rate of pay for any time in excess of 8 hours.
  - g. Every effort will be made to schedule days off in lieu of holidays as additions to the employee's regular days off, except where the employee and the Employer otherwise agree.
  - h. Effective January 1, 2019, employees scheduled under Article 14 (e.g. schedulers) do not receive the 4.6 percent in lieu of stat holidays, but rather receive a day off with pay.
7. Effective immediately, the Employer will not unilaterally deduct money from any employee's pay. The Employer will only deduct money from an employee's pay with written consent from that employee, or through the grievance procedure.
8. The parties agree on the March 31, 2018 seniority lists for Surrey CHWs and Schedulers, attached as Appendix "B" to this Award. The parties agree that effective immediately, seniority will only accumulate based on the "BCGEU Accumulators" document attached as Appendix "A." If the parties are unable to agree on the Richmond CHW seniority list, a conference call will be scheduled with Arbitrator Ken Saunders to resolve the issue.

9. The Employer's new payroll system will have the capability of showing sick and vacation banks on employee pay statements. Until the new payroll system is in place, employees are entitled to ask the office what their current entitlement is and receive an accurate answer within 5 business days.
10. The parties agree on the Payroll Error Form, attached as Appendix "C." When a member submits a Payroll Error Form, it will be processed and either approved or not approved within 5 business days. If a member checks the box requesting a manual cheque, they will receive a manual cheque with the corrected amount within 5 calendar days from the date the Payroll Error Form is approved. If the member does not request a manual cheque, they will receive the corrected amount no later than the next pay period. The Employer will ensure that one of the following: Supervisor of Coordination, Operations Manager, Client Services Manager, or Director of Operations, will be available Monday to Friday during business hours to process manual cheque request forms.
11. The Employer will provide the Union by May 14, 2018 examples of payroll errors processed under the new system.
12. Any issues that arise around the Payroll Error Form process will first be discussed between the Union and the Employer and if unresolved, can be dealt with through a conference call with Arbitrator Ken Saunders.
13. The Employer will not seek repayment of any overpayments, and the Union will not seek repayment of any underpayments, that resulted from the payroll errors covered by this Award and that were incurred prior to May 14, 2018. This does not include grievances and payroll error forms not listed in this Award that were filed by individual members.
14. The Employer, with the Union's input and assistance, will arrange training for all of its payroll and scheduling staff by June 30, 2018 to ensure they are aware of the correct process for overtime, statutory holidays, vacation entitlement, and all other areas of payroll covered by this Award.
15. The target implementation date for Procura in British Columbia is May 2019. If this date is to change, the Employer will inform the Union as soon as possible of any adjustments.
16. By September 1, 2018, the Employer will inform the Union of the expected implementation date, if any, of the new payroll system. The Employer will inform the Union and any adjustments to the target date thereafter.
17. When the new payroll system and Procura are implemented, the Employer, with the Union's input and assistance, will arrange training for its entire payroll and scheduling staff to ensure the correct process for overtime, statutory

holidays, vacation entitlement, and all other areas of payroll covered by this Award, continue under the new payroll system and Procura.

18. If, for any reason either the Employer or the Union cannot meet the timelines set out in this agreement, they will inform the other party as early as possible and request an extension in writing. Any reasonable extension shall be accepted by the other party.
19. Any issue regarding the interpretation, application, or alleged violation of this Award will be set down for expedited arbitration before Arbitrator Ken Saunders.

Dated at Vancouver, British Columbia
