Re: LifeLabs Joint Labour/Management Committee update

Please be advised that Marilyn McLean has been acclaimed as the Logistics and CIC alternate representative to the Joint Labour/Management Committee.

As multiple nominations were received for the following positions, elections will be required, with details to follow:

- Vancouver Island Representative – 1 regular, 1 alternate
- Regional Representative (*all areas outside Vancouver Island and the Lower Mainland/ Fraser Valley*) – 1 regular, 1 alternate
- CCB – 1 alternate

One nomination was received for the PSCs alternate position for a member who is also contesting the Vancouver Island Representative election. If that member is unsuccessful in the Vancouver Island Representative election, they will be acclaimed as the PCSs alternate. Otherwise, the PCSs alternate position will remain vacant.

In Solidarity,

Ryan Stewart
Staff Representative
