Re: Bargaining Committee

Dear Members,

I am seeking your approval to represent you on the Technical Safety BC bargaining committee.

I am an Electrical Safety Officer on Vancouver Island. I am a member in good standing of the BCGEU for approximately 4 years.

Prior to my time here at Technical Safety BC, I worked in the construction industry under various labour agreements. I understand and value the importance of having a strong agreement, union, and membership.

With the rapidly changing work environment I think it is important that we take an active role in helping shape our future here at Technical Safety BC.

Respectfully yours,

Steve Fisher
