Re: Ratification Results

On behalf of your Bargaining Committee, I am pleased to advise you that the majority of members voted in favor of the new contract. It is a 5 year contract that expires in 2021. It sees an increase in wages in each year, as well as other gains.

The Bargaining Committee thanks you for your confidence while the new contract was being negotiated with the Employer.

A new copy of the collective agreement will be distributed once it has been signed. Retroactive wages will be paid out by the Employer as soon as possible.

In solidarity
