Re: BCGEU Worksite Visit and Q&A

In response to the recent serious assault on workers at Forensic Psychiatric Hospital, the BCGEU will be conducting a worksite visit on **Thursday, May 17th**. Come see us at the **BCGEU Tent**, which will be set up in the **southend of the hospital parking lot**.

If you are a worker who has questions about your Safety, Occupational Health and Safety regulations, collective agreement rights, or other issues regarding your workplace, **please come to the BCGEU Tent on your break between 10:00 am and 2:00 pm**.

In solidarity
