

BCGEU

A Component of NUPGE (CLC)

MEMORANDUM

June 28, 2021

TO: All Local Chairpersons –
Public Service Bargaining Unit
(Components 1, 5, 6, 12 & 20)

FROM: Stephanie Smith
President

cc: Public Service Bargaining Committee,
Exec/Admin Committee, Coordinators, All
Area Office Staff

FILE NO: 1650.018

**SUBJECT: Public Service Main and Component Bargaining Proposals
for the 19th Public Service Main and Component Agreements**

Preparations for the 19th Public Service negotiations are already commencing. Therefore, we are calling for locals to meet and prepare draft proposals and resolutions for submission to their respective Components. They are to be forwarded to the Component Executives in order for proposals and resolutions to be vetted and allocated to either the Public Service Main or Component tables. **The deadline for locals to have proposals submitted to their respective Component is Friday - October 1, 2021.**

Components will consider these proposals and submit them to the Public Service Bargaining Committee by 5:00 pm on Monday - November 1, 2021. All Public Service Main proposals will be sent electronically to the attention of Lisa Lane at the Victoria Area Office. This will require locals and components to meet earlier and endorse proposals in time for referral.

Please ensure that you schedule a local meeting with bargaining proposals on the agenda in advance of October 1, 2021. Attached is the form to use to articulate the proposal and the rationale for it. These forms are retained by the Public Service Bargaining Committee and referred to during negotiations to assess need, determine priority and obtain additional feedback where necessary. Proposals do not need to be in contract language format. The committee can draft the language as long as the intent is clear. **It is very important, however, to include examples, which justify the need for language changes as these are used by the Committee at the negotiations table to show why the changes are needed.**

Thank you for your assistance in this regard.

Note: Area office staff – the FA-792 form can be found in your global templates.
