Re: Shop Stewards Election Results

The successful candidate for the BCGEU Shop Stewards at First Place is:

Rishab Rajdev

Your union shop stewards receive training from the union and are available to answer questions about your collective agreement. They are also available to attend meetings with you with management, if you ever believe that discipline will result from the meeting (even if it is an investigation).

You have the right to choose the shop steward that represents you.

In solidarity,

Sean Antrim
