SUBJECT: BCGEU Camosun College RATIFICATION MEETING and VOTE
*FOR BOTH COMMON and LOCAL AGREEMENTS

- Your Bargaining Committee has been working very hard on your behalf. After a difficult round of negotiations over the past 5 months, the parties were finally able to reach a mutually agreeable tentative agreement. **We are strongly recommending you vote “YES.”** We are confident this is the best agreement we can achieve for you at this time.
- The specific terms of the LOCAL tentative agreement will be available in a ratification document which will be available at the meeting. The highlights (all changes excluding housekeeping/non-substantive changes) will be outlined on a handout that will also be provided at the meeting.
- We will also have copies of the COMMON tentative agreement at the meeting as well as the highlights handout.
- We will be going over the highlights of both agreements at the meeting.
- .After our presentation, we will answer any questions you might have and then
WE WILL HOLD A VOTE.

Thank you for your ongoing support.
