WHITE NATIONALISM IS ANATHEMA TO HUMANISM

May 13, 2019

A majority of members in attendance at the 2019 Annual General Meeting voted in favour of the following resolution:

As Humanists, we believe that every individual has dignity, value, and the right to personal fulfillment. As such, we condemn bigotry based on national origin, race, and personal beliefs, which interferes with individual liberty and well-being. In particular, we are deeply concerned about the string of recent attacks in Norway, Quebec City, Charlottesville, Christchurch and elsewhere that were motivated by white nationalist ideology. We wholeheartedly denounce white nationalism as anathema to Humanism and as a threat to peaceful democratic society.
