

BEALL ELEMENTARY SCHOOL PARENT TEACHER ASSOCIATION

January PTA Meeting & Workshop

Tues., 1/5/16, 6:30-8 PM

We are pleased to welcome Kate Champion of PEP (Parent Encouragement Program) to our January PTA meeting. Our topic will be -

Understanding Friendship and Bullying

Why Join Us? Some children have trouble making and keeping friends, and some worry every day about being ridiculed, pushed around or excluded. How do you tell the difference between bullying and behavior that's just immature? In either case, what do you do about it? This workshop will give parents tools for supporting children in meeting social challenges with confidence.

About Our Speaker: Kate Champion came to PEP 24 years ago to learn parenting skills when her oldest was 4. The techniques gained have helped her lead classes, edit and teach a babysitting course for young teens, teach catechesis to 6-9 year olds, and raise her brood. A background in Social Work (MSW) has helped round out her appreciation for the theory behind the PEP approach.
