

Complete this form to give feedback on the draft State Strategic Plan for Crown land. When complete, please return it to us by midnight Thursday 20 August 2020, either by email to cl.enquiries@crowmland.nsw.gov.au or by post to PO Box 2155, DANGAR NSW 2309.

Making your submission public

We collect information about you, which may include personal information, to assess submissions in response to Crown land dealings and activities, and to perform other functions required to complete the project. This information must be supplied. If you choose not to provide the requested information, we may not be able to assess your submission.

To promote transparency and an open government, we intend to make all submissions publicly available on our website, or in reports. Your name or your organisation's name may appear in these reports with your feedback attributed.

If you would like your submission and/or feedback to be kept confidential, please let us know when making your submission. You will be asked for your confidentiality preference at the end of this form.

If you request your submission be kept confidential, it will not be published on our website or included in any relevant reports, however it will still be subject to the *Government Information Public Access Act 2009*.

Your submission will be stored securely consistent with the department's Records Management Policy and you have the right to request access to, and correction of, your personal information held by the department.

Further information is available in our [Privacy statement](#).

If you selected Other, please provide details (1,500 characters):

Strategic Plan priorities

The draft State Strategic Plan identifies four strategic priorities to guide Crown land management and inform the ways in which Crown land is used, and the activities, communities and environments it will support. These priorities are:

Priorities			
Enable jobs growth, commercial opportunities and sustainable economic progress in regional and rural NSW	Expand green space, sustainable quality of life and climate change resilience	Strengthen and support evolving community connections	Work with Aboriginal communities to realise the potential of their land rights

More information on these priorities is in [section 3.3 of the draft plan \(PDF\)](#).

Please provide your feedback

13. These are the best priorities for Crown land over the next 10 years. *

14. Please rate each of the priorities from 'Very important' to 'Not important at all'.

Enable jobs growth, commercial opportunities and sustainable economic progress in regional and rural NSW.

Expand green space, sustainable quality of life and climate change resilience

Strengthen and support evolving community connections

Work with Aboriginal communities to realise the potential of their land rights

Do you believe that any changes should be made to these priorities, or are there any new priorities you would like to suggest?

Please provide details (1,500 characters):

Strategic Plan outcomes

The draft State Strategic Plan identifies 15 outcomes to focus our practical efforts and enable us to deliver on the priorities of the plan. These 15 outcomes are mapped to the four priorities in the table below:

Priorities			
Enable jobs growth, commercial opportunities and sustainable economic progress in regional and rural NSW	Expand green space, sustainable quality of life and climate change resilience	Strengthen and support evolving community connections	Work with Aboriginal communities to realise the potential of their land rights

Outcomes			
Support innovative and sustainable regional industries	Prioritise the use of Crown land for green and open space in urban areas	Sustain the places where people come together	Make Aboriginal land transfers a priority – and see them as an opportunity
Expand regional tourism	Use Crown land to expand access to affordable housing	Partner with the organisations that serve our communities	Contribute to the ongoing recognition of native title rights
Assist new sustainable energy, resources and infrastructure projects	Support and restore environmental values on Crown land	Strengthen and uphold compliance to ensure a fair go	Explore co-management of land to generate mutual benefits
Facilitate investment on Crown land	Manage Crown land to build resilience in a changing climate		Collaborate with Aboriginal groups in each place to improve outcomes

More information on these outcomes is in [section 3.3 of the draft plan \(PDF\)](#).

Please provide your feedback

15. These are the best outcomes for Crown land over the next 10 years. *

16. Please rate each of the outcomes from 'Very important' to 'Not at all important'.

Support innovative and sustainable regional industries

Expand regional tourism

Assist new sustainable energy, resources and infrastructure projects

Facilitate investment on Crown land

Prioritise the use of Crown land for green and open space in urban areas

Use Crown land to expand access to affordable housing

Support and restore environmental values on Crown land

Manage Crown land to build resilience in a changing climate

Sustain the places where people come together

Partner with the organisations that serve our communities

Strengthen and uphold compliance to ensure a fair go

Make Aboriginal land transfers a priority – and see them as an opportunity

Contribute to the ongoing recognition of native title rights

Explore co-management of land to generate mutual benefits

Collaborate with Aboriginal groups in each place to improve outcomes

Do you believe that any changes should be made to these outcomes or would you like to suggest any other outcomes the department should address in the State Strategic Plan?

Please provide details (1,500 characters):

Strategic Plan enabling initiatives

The draft plan identifies seven enabling initiatives to support delivery against the strategic priorities and objectives of the plan. These enablers are:

- Make more of our information available and transparent
- Standardise leases and licensing for common activities
- Simplify licencing for domestic waterfront structures
- Reduce red tape for government entities managing Crown land
- Provide tools and resources to volunteer Crown land managers
- Build understanding of native title
- Engage and support a new generation of Crown land managers

More information on these enablers is in [section 4 of the draft plan \(PDF\)](#).

Please provide your feedback

17. These are the best enablers to support delivery of the plan. *

18. Please rate each of the enablers from 'Very important' to 'Not at all important'.

Make more of our information available and transparent

Standardise leases and licensing for common activities

Simplify licensing for domestic waterfront structures

Reduce red tape for government entities managing Crown land

Provide tools and resources to volunteer Crown land managers

Build understanding of native title

Engage and support a new generation of Crown land managers

Do you believe that any changes should be made to these enabling initiatives, or are there any other enabling initiatives you would like to suggest?
