

Nomination Form for BICN Board of Directors

Directors have an essential role in furthering the aims of BICN, shaping its direction, and ensuring the corporation is well-run. Directors are expected to devote sufficient time to prepare for, attend and contribute to regular monthly Board meetings and the AGM, and to otherwise contribute time, knowledge, thought and effort to advance BICN's work as they are able. If elected, Directors must abide by BICN by-laws, sign a confidentiality agreement and show respect for all members of society. Director fees are payable within one month of the election date. Fees range from \$20 to \$200 annually, with the understanding that members with greater financial resources will voluntarily make payment at the higher end.

The deadline for nominations is April 20, 2016 in order for information on all nominees to be distributed with the AGM package to members entitled to vote. Please submit your completed nomination form to info@basicincomecanada.org.
