

THE GLOBAL ECONOMY IS CHANGING RAPIDLY.

FOR MANY CANADIANS, THIS MEANS INSECURITY...

...OR EVEN DANGER.

WE CAN GIVE PEOPLE BREATHING ROOM.

THE FLEXIBILITY THAT BASIC INCOME PROVIDES CAN GIVE GRADUATES TIME TO FIND WORK IN THEIR FIELD.

WE SHOULDN'T HAVE TO LOSE EVERYTHING...

WE ARE ALL VALUABLE TO SOCIETY.

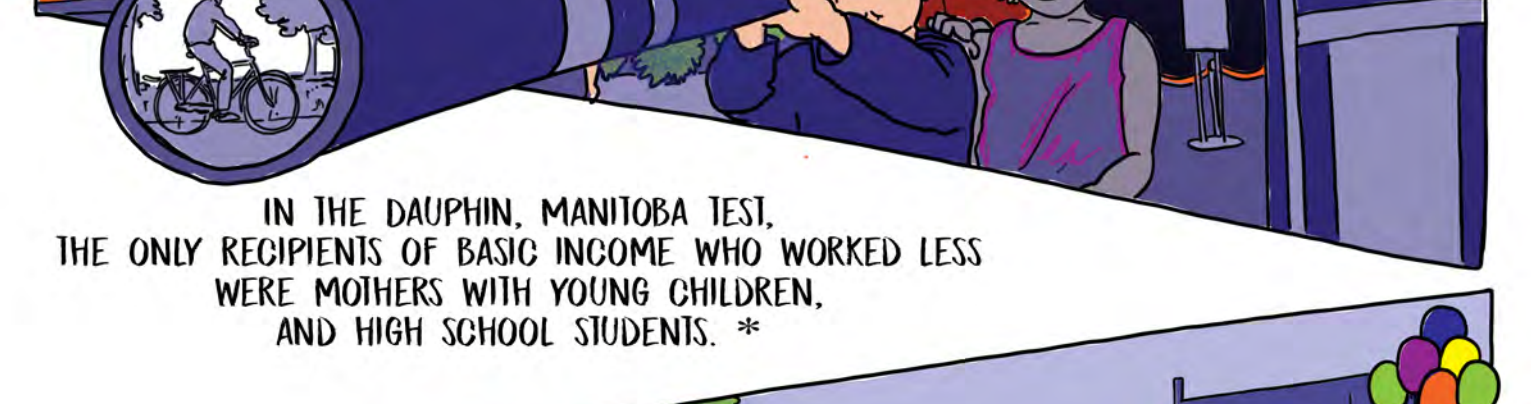

AND DESERVE TO BE SAFE.

SOME PEOPLE CLAIM BASIC INCOME TAKES AWAY FROM THE INCENTIVE TO WORK...

THE EVIDENCE TELLS A DIFFERENT STORY.

IN THE DAUPHIN, MANITOBA TEST, THE ONLY INCOME OF BASIC INCOME WHO WORKED LESS WERE MOTHERS WITH YOUNG CHILDREN, AND HIGH SCHOOL STUDENTS. *

WE CAN DO BETTER THAN 'WORK OR STARVE'. PEOPLE WORK BECAUSE THEY WANT TO. THEY DESERVE TO DO IT WITH DIGNITY.

THE SIMPLE TRUTH IS, PEOPLE ARE INVESTED IN THEIR COMMUNITIES. WHY SHOULDN'T WE INVEST IN THEM?
