

DOMAIN BIKE RIDING MAP

Print at the highest / best quality for your printer to gain a clearer map.

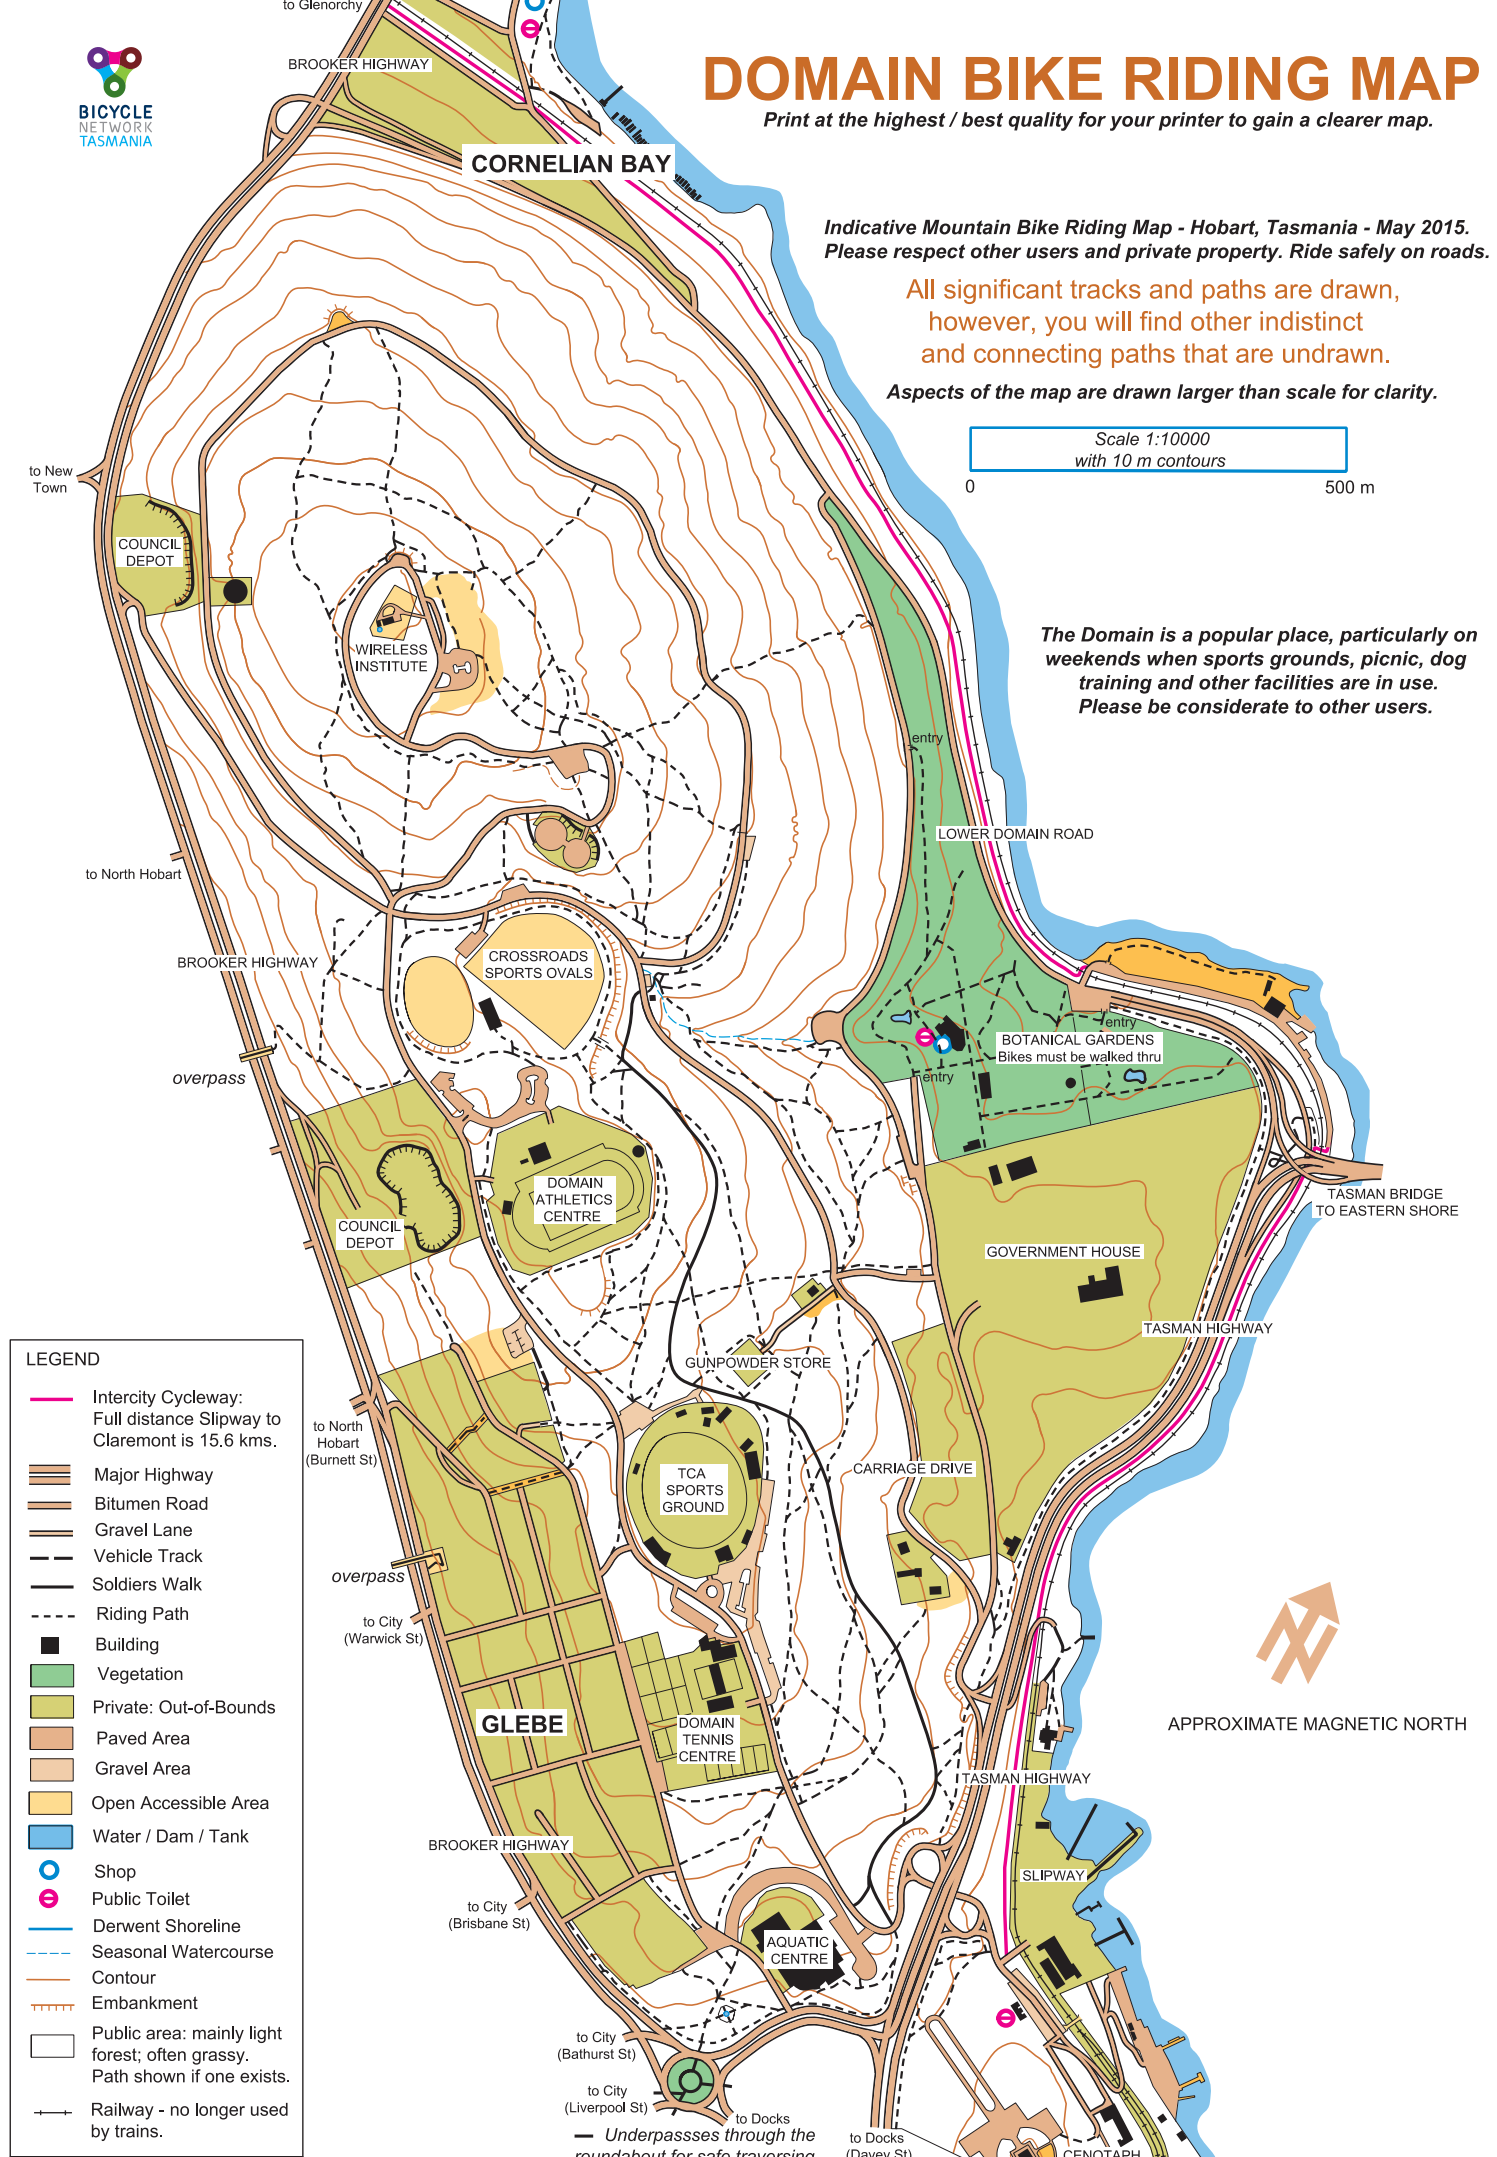

Indicative Mountain Bike Riding Map - Hobart, Tasmania - May 2015.
Please respect other users and private property. Ride safely on roads.

All significant tracks and paths are drawn, however, you will find other indistinct and connecting paths that are undrawn.

Aspects of the map are drawn larger than scale for clarity.

The Domain is a popular place, particularly on weekends when sports grounds, picnic, dog training and other facilities are in use. Please be considerate to other users.
