

Measure W Committee Recommendations

WATERSHED AREA STEERING COMMITTEES

Santa Clara River

John Musella. Past Co-Chair of BizFed's Water Committee. Currently serves on the BIA Board of Directors and the Santa Clarita Valley Economic Development Corporation. Acting Executive Director of the Santa Clarita Valley Chamber of Commerce, representing more than 65,000 member employees.

Professionally, John has worked in land use for the past two decades helping to entitle more than 35,000 homes across LA County. One of his past clients was the Santa Clarita Valley (SCV) Water Agency, having assisted with the legislative approval process of the new water agency's formation in 2017. John currently serves on a Facility Capacity Fee Working Group for the SCV Water Agency.

Any Watershed Area Committee:

Mike Gallagher. Currently serves as the subject matter expert for Southern California Edison's (SCE) Water Quality team, advising SCE operational units on environmental requirements of storm water pollution prevention plans (SWPPPs) and National Pollutant Discharge Elimination System (NPDES) permits for construction projects and built assets. Provides outreach support and training to SCE internal stakeholders on water quality permit requirements. Supervised more than 1,000-site storm water inspections from dozens of SCE projects and worked with State and Regional Water Board representatives to mitigate areas of risk without regulatory enforcement action.

SCE has buildings in all nine watershed areas.

Resume: Attached.

Marci Stanage. Marci has worked for Southern California Partnership for Jobs (SCPFJ) for 2-1/2 years. In mid 2018, I was assigned to take on all water-related issues. SCPFJ partnered with Charlie Wilson and the Southern California Water Coalition in 2018 and sits on their task force. She also works very closely with Jeff

Kightlinger, General Manager of the Metropolitan Water District. Their Board consists of all three Unions; Labor, Operators and Carpenter's, as well as construction management. With the help and guidance that she receives from their Trustees, as well as our Executive Director, John Hakel, she has no doubt that she will be able to sit in an "at-large" position on one of these Committees.
