Think free speech is dead? Think again! Our May speaker, Matt Ronnau, President of the Berkeley College Republicans and Chairman of the California Federation of College Republicans, was the guest of President Trump at the signing of his Executive Order on free speech on college campuses.

Our May meeting will also feature the new, unanimously elected, Bay Area Regional Vice Chairman of the California Republican Party, Jason P. Clark. Jason is also the first Millennial and the first openly LGBT Chairman of the San Francisco Republican Party.

Come meet the future, now becoming the present, of the Republican Party in the Bay Area!
