

San Fernando & Santa Clarita Valleys African American Infant and Maternal Mortality Prevention Community Action Team Presents:

COVID-19 Panel: A Vaccine Conversation For African American Families

Virtual Event

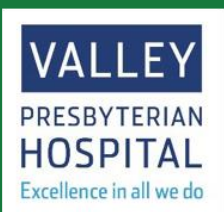

Wednesday, February 17th, 2021 from 10am-12pm

Join us as we discuss concerns and explore options related to the COVID-19 vaccine with a panel of local medical and legal experts. Our local African American families have questions, and this is our opportunity to voice them in a safe space.

Hosted by:
