

Amy Martin
Glen Rock Borough Council
www.theglenrockAteam.com

Amy Martin is currently the Borough Council President and championed the hugely successful Glen Rock Farmer's Market that was launched in the Fall of 2016. She serves as the liaison to the Department of Public Works, Ridgewood Water, the Shade Tree Commission and the Arboretum and previously has sat on the Finance and the Senior Advisory Committees. Amy has an extensive background in acting and directing, having recently started her own production company, Alfa Productions, which specializes in managing the creation of sets and environments for theater and trade shows. Amy has performed widely throughout the country and as a director she has worked on various productions, including two world premiere operas at Symphony Space in New York City. She was classically trained at the Stella Adler Conservatory of Acting and graduated summa cum laude from the Tisch School of the Arts at NYU. She currently works as Individual Development Officer at the Paterson Habitat for Humanity.

Platform/ Candidate's statement:

I am Amy Martin, Glen Rock Borough Council President reminding you to be sure to get out to cast your most important vote on Tuesday, November 7 for THE "A TEAM", Amy Martin and Arati Kreibich. "A seat at the table", our campaign slogan, is not some silly political catch phrase. It is what we believe, and how we lead. Inclusion. Every person is valued equally. Every person's perspective and voice is important. In order to create a strong local government it is imperative to have open and challenging debates, which the "A Team" encourages. It propels good solutions and makes sure the status quo is not an option.

My goal and motivation is to move Glen Rock in a sound, sustainable direction for the future. This includes managing our tax burden through tight scrutiny of the budget, as well as finding opportunities to increase our revenue, in particular, developing housing downtown. We must always consider environmental options when looking at capital improvements and operations. While our community is ever changing, with many new families moving in every year, I will continue to support experiences that bring our community together.

As a councilwoman, every decision I make, every vote I take, I am thinking about the future of Glen Rock. What kind of impact will this have on our residents? Our children? Our children's children.

I want to continue to serve this wonderful borough of ours, to lead and work together to make Glen Rock the best it can be.
