

Believe And Be Saved

MEMORY VERSE

Just as Moses lifted up the snake in the desert, so the Son of Man must be lifted up, that everyone who believes in Him may have eternal life.

John 3:14 & 15

Something To Think About

Things were about to change for the Israelites. Aaron, Moses' brother, died and the Canaanite king that was across the border, got brave. He fought the Israelites and actually took some of them as prisoners. That was the wrong thing for him to do.

God listened to the Israelites prayer and helped them destroy the Canaanites, which made them more confident and ready to move on. But Moses took them on a detour around the land of Edom, and they became more irritable as they traveled. They didn't like the food and they had no water. Kerplunk! They went into the grumbling pit. They complained and grumbled until God had enough. It was time for a lesson and a terrible one it was! Poisonous snakes were every where; in their beds, underfoot and in their supplies. It was worse than the frogs and locusts of Egypt! People were dying from being bitten. Of course they turned to God for help. God's answer was for Moses to put a bronze serpent up on a pole. By merely looking at it, the bitten person could be cured.

Would you have looked at the snake? Or would you have said, "That's silly. Looking won't cure anyone!" But God said it would! So they had to believe and take Him at His word to be saved. If we believe on Jesus and take Him at His word, we are saved! (Acts 2:21) †
