FALL/WINTER CAMP STANDARDS

In an effort to see that students are truly able to "get away" from their everyday surroundings we ask that students leave the following electronic items at home: Cell Phone, iPod, iPad, Kindle, Computer, any portable gaming devices, and basically all electronics.

The following standards, deal with creating a positive and respectful atmosphere at BMC.

**Please read through the
Fall/Winter Camp Guidelines listed above.**

1. Guys & gals, please make sure inappropriate clothing is not acceptable: the follow is not exhaustive, but gives you an idea: exposed midriff or undergarments, promotes alcohol, tobacco, profanity or displays obscenities, vulgarity or violence.
2. Respect of staff and fellow campers. The Golden Rule: "Do unto others as you would have them do to you."
3. Manners are a **huge** way of showing respect to both staff and fellow campers.
4. Please respect others stuff by staying out of it. LABEL ALL CLOTHING AND PERSONAL ITEMS.
5. Parents/Guardians please be prompt at pick-up times.
