

**JOIN US AND
HELP US BUILD
A GLOBAL
NETWORK TO
PROTECT THE
ANTARCTIC
ECOSYSTEM
AND COASTAL
COMMUNITIES
AROUND THE
GLOBE.**

**ON JUNE 23RD 2021
WE WILL HOLD GLOBAL
48HRS OF ACTION FOR
ANTARCTICA.**

This is to coincide with the 60th anniversary of the Antarctic Treaty System (ATS) coming into force. While the nations involved will be celebrating, there is little to celebrate about. The 29 ATS voting nations emit 80% of global greenhouse gasses. Unless these nations dramatically reduce their emissions, the future of Antarctica, its wildlife and global coastal communities are at risk.

We want to show the 29 Antarctic treaty voting nations, that the world demands they do more to protect Antarctica from the climate crisis!

On top of that, Australia is planning to build a massive concrete airport in Antarctica. This is the last thing Antarctica needs. It will increase all nations impact on continent by a staggering 40%.

Show up and make your voice heard!

Find out if there's an action near you here:

**IF YOU CANT MAKE IT
TO AN ACTION, HERE IS
WHAT WE'D LOVE YOU
TO DO:**

- Please take a photo or make a small video of yourself, or you and your friends, holding a sign saying either:
 - Protect Antarctica
 - Stop Antarctica Melting
 - No Airport In Antarctica
- You can also download our penguin stencil and make some street art and take a photo with it, files here:
bobbrown.org.au/event_210521
- Share these photos or videos on your social media use the hashtags: #ProtectAntarctica #StopAntarcticaMelting #NoAirportinAntarctica
- Finally, pop your pictures or videos in this Google Drive link, so we can do a "from around the world action video":
bobbrown.org.au/doa_images
- If you want to do more, or go bigger, see our list of suggestions and places to do it here:
