

What is the Emergency Home Repair Program?

The Burlington County Board of Chosen Freeholders through Community Development Block Grant (CDBG) funds the Emergency Home Repair Program and is administered by the Burlington County Community Development Office.

The Emergency Home Repair Program provides limited grants to eligible homeowners to make emergency repairs to their homes. Services are provided to eligible customers on an "every-other-year" basis.

Human Services Department

The Department of Human Services consists of a wealth of services to support individuals in the community from all backgrounds, with various needs. We strive to provide one-stop human service shopping, a building in which all county residents find a wealth of resources working together to help them find their strength, resilience and direction into a brighter tomorrow. Through the recent reorganization, the merged Department is the platform from which we bring existing skills together to tackle some of our thorniest community issues with comprehensive planning and monitoring.
