Attorney Carlin gave background information on this application and referenced the letter dated June 4, 2020 submitted by Steven P. Gouin, attorney for the applicant. He said that Governor Murphy has enacted Assembly Bill 3919 Permanent Extension Act of 2020 that extended the time to perfect approvals by 6 months. After discussion among the Planning Board Members, Professionals, and Planning Board Secretary, Attorney Carlin said the Planning Board has three options: 1) interpret/hold the ordinances to provide that the use variance and conditional use variance are part of the site plan process for the billboard only, which would automatically allow the applicant to perfect the billboard by December of 2022, or 2) grant a one-year extension that will take them out to December 2021, or 3) the Board can see if they start work before December and tell them they can come back and seek the extension of approvals at that time. Chairman Chidley said he thought it may make more sense to marry up the times, and the Governor may extend the order again.

Vice-Chairman Hirschfeld made a motion to open to the public; seconded by Ms. Esser.

DISCUSSION:

Referral of Township Committee Ordinance #2020-07 entitled AN ORDINANCE OF THE TOWNSHIP OF BORDENTOWN AMENDING THE AGWAY (GROWMARK)/YATES REDEVELOPMENT PLAN.

Planning Board Secretary Theokas stated that the Planning Board members were provided a copy of the Amended Redevelopment Plan prepared by the Township’s Special Planner, Heyer-Gruel. The Board was also provided a copy of the accompanying Settlement Agreement that was the onus for the amendment in the Redevelopment Plan. This will allow on the current Team Campus I site construction of some residential buildings totaling up to 130 residential units of which 26 units are affordable. The Settlement Agreement made this a part of our global settlement with Fair Share Housing.

He also noted that on page 18 of the Amended Redevelopment Plan it states according to Susan Gruel, “This Redevelopment Plan is consistent with the Township’s Master Plan 2018 Reexamination Report
and Land Use Plan. It is also a component of the adopted August 2019 Housing Element and Fair Share Plan.”

Vice-Chairman Hirschfeld made a motion to open to the public; seconded by Ms. Esser.
