CHARLES LATINI, 11 W. Church Street, Bordentown City, Land Use Planner: Mr. Latini asked questions regarding the driveways on Route 130. Mr. Proska responded the changes to the driveway are positive and help with internal circulation, and provides a secondary access if the first driveway is missing. Mr. Latini said an ordinance amendment in the Township Code would be needed if the law changes to allow recreational. Attorney Singer responded that they will return to the Planning Board if this happens. Mr. Latini said the changes in architecture are well received.

Mr. Melillo explained he is not an expert, but that it is tested through the NJ Department of Health. Mr. Pogson said he was concerned about public safety. Mr. Melillo said it is cash and debit card only business. Administrator Theokas said the Township has investigated and is satisfied with the security. Mr. Pogson asked about dispensing and child safety. Attorney Carlin and Chairman Chidley said these questions were straying away from Land Use.

JOHNNIE WHITTINGTON, 23 Exeter Road, East Windsor, NJ: Mr. Whittington commended Bordentown Township and the Planning Board for their consideration and stated Curaleaf will be a great addition in Bordentown Township. He also told Mr. Melillo this is a great location and that he is part of the Mastoris family and they have had great success in this area.
