**Re: Applicant: First Industrial Realty Trust
Dunns Mill Road Industrial Facility
Preliminary and Final Major Site Plan and Subdivision
Bordentown Township Application PB 2020-09
Zoning District GC-1
Block 126, Lots 1.01, 1.02, 2 and 14.01**

Dear Mr. Theokas:

Pursuant to communications exchanged this past week, including today, regarding the above-captioned Application, it appears that there are materials that still need to be provided to the Board, and its professionals, which would preclude consideration of this Application at the March 11, 2021 Bordentown Township Planning Board meeting.

Accordingly, in order to meet the Board's ten (10) day requirement, and supply the information necessary for consideration by the Board and its staff, the Applicant respectfully requests an adjournment of the hearing for Preliminary and Final Major Site Plan and Subdivision, to the April 8, 2021 Planning Board meeting.

On behalf of the Applicant, we also hereby grant an extension of time within which the Board has to act on the Application, by an additional twenty-eight (28) days, equaling the length of the adjournment requested herein. We also respectfully ask for confirmation that we will not need to provide new notices, but that the Board will simply announce that the matter is being carried to the April 8, 2021 Bordentown Township Planning Board meeting.
