

TOWNSHIP OF BORDENTOWN

AN ORDINANCE AMENDING ORDINANCE NO. 2001-13
REGULATING THE LARGE -SCALE REMOVAL OF TOP SOIL

ORDINANCE NO. 2002-04

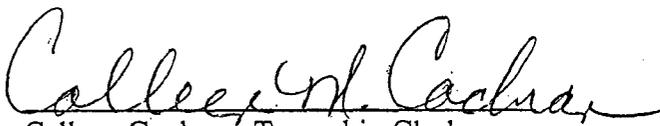

WHEREAS, the Township of Bordentown seeks to amend its ordinance regulating the large-scale removal of top soil; and

WHEREAS, the Township of Bordentown has determined that engineering and inspection fees should be paid from the escrow account established for a project.

NOW, THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Bordentown, in the County of Burlington in the State of New Jersey, as follows:

Ordinance 2001-13, under "Application for Permit," is amended to read:

Upon receipt of a complete application, the Office of Community Development shall refer the application to the Engineer of the appropriate board, who shall review the application and submit a recommendation report to the Planning Board and Zoning Board of Adjustment for a final determination. All engineering and inspection fees shall be paid from the escrow account established for the project for which the permit is being sought.

Colleen Cochran, Township Clerk

Mark Roselli, Mayor
