

Welcome to the annual Bordentown Township Tree Lighting Festivities.

This is an exciting night and a special time of year, a time of good will, good cheer, and good times with family and friends and always seems to bring people together and bring out the best in us.

During this season we think of gifts of all kinds, but the greatest gift you ever own is not found in the shops or under your Christmas tree. It is found in the hearts of your family and **your true friends**. I hope that each twinkling light on our tree will send **you joy and happiness** this holiday season and remind us all of the goodness in our hearts. Let's let the generosity, the love, the kindness and the willingness to share surround us not just on Christmas but every day of the year.

On behalf of my colleagues on the Bordentown Township Committee, the township employees and our families, I wish all of you a joyous holiday season, surrounded by the love of family and friends, and blessed with happiness, health and hope.
