

Bordentown Township received approval from the Burlington County Board of Taxation and the NJ State Division of Taxation to conduct a town-wide reassessment for the 2012 tax year. The reassessment will use the interior inspection data from the 2009 revaluation. Therefore, inspectors will not be coming out to inspect the interior of any homes. The township has hired Professional Property Appraisers of Delran to assist with the reassessment. Property owners should receive a notice of their new 2012 assessed value by mid December, 2011. Any questions should be directed to the Bordentown Township Tax Assessor, Jay Renwick. Mr. Renwick's office hours are Mondays from 9:00 am to 5:00 pm.
