DEAR COUNTY RESIDENTS,

OUR GOAL IS TO REDUCE AIR FILTRATION IN YOUR HOUSE AND IMPROVE THE EFFICIENCY OF YOUR HEATING SYSTEM.

TODAY, WE USE THE LATEST TECHNOLOGY (IN WEATHERIZATION) TO EVALUATE YOUR HOUSE.

WE INSTALL THE MINNEAPOLIS BLOWER DOOR TO MEASURE WHERE AIR IS COMING INTO THE HOUSE FROM THE OUTSIDE.

WHILE THE FAN IS DEPRESSURIZING THE HOUSE, WE IDENTIFY WHERE MAJOR AIR LEAKS ARE AND ANY AREAS OF HEAT LOSS.

WE CAN:

CAULK CRACKS AROUND THE EXTERIOR AND INTERIOR OF WINDOWS AND DOORS

WEATHER-STRIP DOORS AND WINDOWS TO KEEP COLD AIR OUT

WEATHERIZATION WORKS!!!!

Why should I apply? You can't afford not to. Air leaks make houses uncomfortable and more expensive to heat. You need to save money. We all need to conserve energy, and through Weatherization both can be accomplished.

How is this done? Our weatherization personnel seal up places of major air infiltration and retrofit inefficient heating systems. We can also provide advice on other ways to save and use energy wisely.

Who pays for this? The State and Federal Government through your tax dollars. There is no cost to eligible homeowners and renters for any labor or materials, nor is any lien ever placed upon the house because of this program.

However, 25% of the total cost to provide energy conservation services to renter is charged to landlords of the property. (Also, 50% of the cost for heater system work is to be paid by landlord of rental property.)

Where's the catch? There isn't any. Just ask your friends and neighbors.

Who qualifies? Any homeowner or renter living in a dwelling unit which contains a member who received cash assistance payments under Title IV (Public Assistance/Aide for Dependent children AFDC)

or Title XVI (Supplemental Social Security) during the twelve (12) month period preceding the determination of eligibility for weatherization assistance or any residents whose income meets the following income guidelines:

Home Energy Assistance (HEA) /Universal Service Fund (USF) and Weatherization Program Application

or visit www.energyassistance.nj.gov for your local participating agency.

Program Definitions

Low Income Home Energy Assistance Program

The Low Income Home Energy Assistance Program (LIHEAP) is designed to help low-income families and individuals meet home heating and medically necessary cooling costs. To be eligible, a household must have a gross income at or below 225% of the Federal Poverty Level and be responsible for the cost of heating.

Universal Service Fund

USF is a program created by the State of New Jersey to help make natural gas and electric bills more affordable for low-income households. If you are eligible, USF can lower the amount you pay for gas and electricity. To be eligible, a household must have a gross income at or below 175% of the Federal Poverty Level and pay more than 3% of its annual income for electric, or more than 3% for natural gas. If a household has electric heat, it must spend more than 6% of its annual income on electricity to be eligible.

Weatherization

New Jersey's Weatherization Assistance Program will help reduce energy bills and keep your home warm by providing you with: 1) A home energy audit to see how much money you can save on energy bills by weatherizing; and 2) Installation of energy efficient measures which may include air sealing, insulation, heating system repair and/or replacement of refrigerators and heating systems if necessary. To be eligible, a household must have a gross income at or below 200% of the Federal Poverty Level.

LIHEAP and USF Recertification

If you received USF or HEA benefits during the previous season and did not move, you will receive a Recertification form in the mail instead of a full application. Contact your local participating agency for the recertification form if you do not receive one. If you now have a new address you must submit a complete application with all the required documentation.

Food Stamp and PAAD Automatic Enrollments

Food Stamp recipients and Lifeline/PAAD recipients are automatically screened for USF and HEA and only need to fill out a full USF/HEA application if it is requested by the county USF/HEA agency or more information is needed.

NJ FamilyCare

NJ FamilyCare is publicly funded health insurance for uninsured children 18 and under and certain low income parents. It is free for most children or very low cost. The family can choose from several HMOs which will cover services such as doctor visits, prescriptions, vision, and dental care for most kids, and even hospitalization. Eligibility is based on family size (parents/guardian and children) and monthly income. Most immigrants whose documents allow them to live here permanently are eligible. For undocumented residents, their children may be eligible if born in the U.S. For more information call 1-800-701-0710 or visit www.njfamilycare.org where you can apply online or check yes to the NJ FamilyCare question on this application and a NJ FamilyCare application will be sent to you. If you have a child 18 or under who does not have Medicaid (either through the County, SSI or DYFS), NJ FamilyCare or other healthcare insurance, check the box (page 4 question 13-8) and you will be sent an application in the mail.
