PIPELINE/ COMPRESSOR STATION UPDATE

Transco received the OK to remove trees on the property despite that we are still in the process of appeals with NJDEP, FERC, and BPU.

Pineland Commission still has no ruling on the pipeline that will connect to compressor station.

People over Pipelines has joined the appeal process.

THE 206 PSE&G GAS LINE WORK

The gas main replacement should be completed around May 1.

Gas lateral and tie-ins will be completed around June 16.

The roadway will have a mill and overlay performed in October.
