

BROOKLAWN POLICE DEPARTMENT Autism/Development Disability Registration

The Brooklawn Police Department has created a registry for individuals with Autism or disabilities in efforts to give police quick access in an emergency to critical information about a person who is registered. The registry can provide police with emergency contact information, detailed physical descriptions, known routines, favorite attractions or special needs of an individual with Autism Disorder or other disabilities such as: Alzheimer's, Dementia, Down Syndrome or any other endangered individuals. This information can greatly assist police officers when time is essential in communicating and dealing with an emergency situation involving a person with Autism Disorder as well as other disabilities.

The registration form asks for valuable information that police may need when helping individuals with Autism Disorder or any other disability. We ask that all questions be filled out completely and a current photograph be provided. If you are unable to supply a photograph, we can take one for you. The information you provide is confidential and will only be used by law enforcement.

You are encouraged to contact us as soon as possible in the event any of the information provided on this form changes. Contact Investigator John Stires at jstires@brooklawnpolice.com or call 856-456-0750 ext. 172 with any questions.

Completed forms may be e-mailed, or taken directly to our police station.
