

Finance Checklist

Moderate

- Re-finance your loans with an institution who does not invest or lend to fossil fuel industries
- Spend your money with businesses who support a clean environment
- Ensure your investment manager and their products are certified by Responsible Investment Association Australia

Difficult

- Bank with a bank that does not invest in fossil fuels
- Switch your super
- Invest in ethical companies which support the road to zero

Hero Actions

- If you own your own small business, consider becoming part of the B-Corp (benefit corporation) movement
