

3RD ANNUAL

LEGO BUILDING COMPETITION

SATURDAY, MARCH 10, 2018

Join us for our Third Annual Lego Competition. We would encourage children through to adults to participate in our one day event, by creating entries for our competition out of LEGO building system. All entries are to be prebuilt from your own creativity and brought ready to be judged on the day of event. We would love to invite all members of the community to view what was submitted and marvel at these master builders. Please email mgdotcreative@gmail.com for more information or to volunteer. Hope to see you all there!
