It's happening, is your family prepared?

Cannabis and Calgary's Youth

How to help young people make an informed and responsible choice.

The legalization of marijuana is just around the corner. As adults, we play an important role in supporting our City's youth in making smart decisions surrounding its use. To help you play this role successfully, we're inviting parents and mentors to learn more about its use, the effects on the young brain and changes in Federal and Provincial laws. This informative and engaging presentation focuses on facts and helpful strategies to help you start supportive conversations surrounding cannabis and its use with the young people in your life.
