California's Largest Statewide Law Enforcement Association Endorses Brian Dahle for Senate Seat

Dahle campaign continues to build momentum with influential PORAC endorsement

SACRAMENTO – Bolstering his campaign for State Senate District 1, today Assemblyman Brian Dahle received a highly coveted endorsement from the Peace Officers Research Association of California (PORAC).

In announcing their endorsement of Dahle, Brian R Marvel, President of Peace Officers Research Association of California (PORAC) released the following statement:

“The Peace Officers Research Association of California is proud to endorse Assemblyman Brian Dahle for California State Senate. He’s been an unwavering supporter of local police and public safety, ensuring we have the tools and resources we need to maintain and improve neighborhood safety. We know Brian Dahle will make an exceptional Senator.”

Today’s news follows fast on the heels of last weeks major public safety endorsement announcement for Dahle; the endorsement from the California Professional Firefighters (CPF) - California’s largest statewide firefighter organization.

Former Assembly Republican Leader Brian Dahle is seeking election to the 1st Senate District seat. Senator Ted Gaines vacated the Senate seat after winning election to the Board of Equalization in November. The special election is scheduled for Tuesday, March 26, 2019.
