I ask; If my partner wants to abort our healthy unborn child (fetus) that she's carrying without my consent, she can do it and its a legal abortion (Killing)? But if I get mad at her intentions and I shot her in the head then I'm not only charged with her death but also for the death of the unborn child (fetus) that she's carrying??? WTF is that all about?

This shows my point of view, reject law abiding citizens that are legally carring guns and you are telling criminals come and robe me. Remove guns from law abiding citizens and criminals will take over.

**Whether what Manny Morales says is really "pro-gun",  
"pro-voter ID", "pro-life", or "anti-women" doesn't matter.**

**The one thing everyone agrees:  
Manny Morales is completely unfit to serve on City Council.**
