2015 SCHOLARSHIP

TO BE COMPLETED BY STUDENT

Please describe for the selection committee your educational goals and how receiving this scholarship will help you continue your education.

To guide you in completing the Personal Statement, here are some examples of how to get started. Please keep in mind that the expectation is not that you write a detailed essay. Just think about the question and answer in a concise manner.

Examples:

- It has been my dream to someday become a nurse. I am presently in the nursing program and plan to graduate in spring 2011. After graduation I hope to continue my education and enter the BNS program at Palm Beach State College. Receiving this scholarship will bring me one step closer to completing my education.
- My major is business and I hope one day to have my own business. I work part-time at a local retailer and am struggling to pay for college. This scholarship will help pay for my classes and books. I will be able to focus more on my education and not so much on how to pay my bills.

The purpose of the Personal Statement is to give the Scholarship Committee members an opportunity to learn more about you, the student, your educational goals and how the scholarship will help you continue your education. You are not scored on the length of your comments. Since the committee does not have the opportunity to meet you face to face, this is a way for them to learn something about your educational and career goals.

Scholarship Autobiography

Your autobiography should be single-spaced and should not exceed one printed page. The limited length is challenging, so choose your words carefully. In your autobiography, please include details about your personal history, interesting facts about you, your home life and your family. Consider including details about special awards you've received, community involvement and interests.
