Dear Terri,

Re: Greenslopes Red Cross Hall

I am a local resident who is concerned about the state of the Commonwealth-owned hall on Newdegate Street, Greenslopes (formerly the Australian Red Cross Hall). The building has seemingly fallen into a state of disrepair. I am concerned about the state of the hall, and the presence of asbestos at the site.

I understand you have been lobbying the Turnbull Government to deal with the hall. I ask that you continue to urge the government to either remediate the site, or transfer it to someone who will, as soon as possible.

Yours sincerely,
