

## **Vote Housing Sample Email to Friends and Family**

**Hello XX**

I wanted to send you a quick note to let you know about a campaign I'm involved in called Vote Housing.

The campaign is a non-partisan campaign to use our voice and our votes to encourage all political parties to end homelessness and housing need in Canada.

Every day in Canada, 1.7 million households live in a home that is either unaffordable, overcrowded and/or needs major repairs, while 35,000 Canadians experience homelessness on any given night.

Further, 36% of Canadians have been homeless themselves or know someone who has been homeless.

**Homelessness and housing need are public policy choices.**

**Canada has invested in safe, affordable housing in the past – and we can do it again.**

I care deeply about this issue and I'm hoping you could take a few seconds to join me in being part of the campaign here: <https://www.votehousing.ca/#pledge>

Thanks
