10:25 am Presentation: High explosives testing facility outside of Tracy/ Mountain House by Tri-Valley CAREs (<http://www.trivalleycares.org/new/>)

The Air District issued a preliminary decision to give Livermore Lab the “Authority to Construct for open detonation” at Site 300, meaning a permit to go ahead with its proposal to increase the size of outdoor toxic bomb blasts that would contain 121 hazardous constituents. Livermore Lab’s are proposing to increase the size of the detonations to allow up to 1,000 pounds at a time

of high explosive compounds at a time in the outdoor blasts. In order to do this, the Air District improperly exempted this Site 300 project from the California Environmental Quality Act, (CEQA). Tri-Valley CAREs members and our environmental justice allies are demanding that a full analysis, under CEQA, be conducted before any permit is issued.

Tri-Valley CAREs urges everyone to submit a written public comment to the Air District to let the agency know you are concerned about the potential impacts of the project. Additional resources are available at -

Also, on Hiroshima Day 8/6 at Livermore, Daniel Ellsberg will speak.

10:55 am

A proposal is made by the Finance Committee to switch the Budget item scheduled for this time (Budget FY 2018-2019 - Budget Committee) to the afternoon session immediately after lunch and move the breakout sessions for committees and working groups (CCWG, Fundraising, ERWG, Platform) to this 11:00 am slot. After lunch, we can then take 1.5 hours for the Budget proposal, then spend an hour on Registering People Green, and then go to the Bylaws matter.

Approved by consensus.

1:10 - Budget presentation [[Budget FY 2018-2019](#)] - Budget Committee (this session replaced the breakout sessions for committees and working groups [CCWG, Fundraising, ERWG, Platform], which we did before lunch).

TO: Green Party of CA (GPCA)
FROM: Ruscal Cayangyang, State Treasurer

CC: Victoria Ashley, Mica Daniel, Finance Committee Co-coordinators
SUBJECT: Proposed rest of 2018 and Calendar Year 2019 Budget Narrative

I am presenting the Draft Proposed 2018 Transition and Calendar Year 2019 Budget for review.

It was discussed at the previous Finance Committee meeting to present a proposal at the June 2018 General Assembly to change the current budget practice of operating from a Fiscal Year (July 1 to June 30) to a Calendar Year (Jan 1 to Dec 31). Much of the rationale for using a Fiscal Year rather than a Calendar Year appears to have been based on internal timing of committee reports and the scheduling of meetings and budget preparation.

The California Secretary of State asks for data from the Calendar year, not the Fiscal year. This means that the Treasurer has to do more work to maintain the data of both calendars. Given that the Treasurer's job is already time-consuming, with more than 5 different filing deadlines to meet in an election year, we believe that moving to a Calendar Year will ease some of the workload for our Treasurer. The Finance Committee believes that the benefits of aligning GPCA's financial reporting periods with those of the Secretary of State's office will make the work easier.

This proposal, if adopted, would change the current Fiscal Year (July 1 to June 30) to a Calendar Year (Jan 1 to Dec 31) starting on January 1, 2019. The period of July 1, 2018, to December 31, 2018, is designated as a transition period from the previously designated Fiscal Year (July 1 to June 30), and the GPCA Budget adopted for the first use of the Calendar Year shall be brought forth at the Fall GA of 2018.

A lot of work on many people's part goes into any budget development. Not only does a budget have to be developed but sometimes, new systems for budget development, implementation and monitoring have to be developed at the same time.

Ruscal promises to look for an internal auditor for the Party, free of charge.

There are a series of questions, affirmations and concerns discussed.

Concerns - Tim Laidman (Contra Costa), Sanda Everette (San Mateo)
James (Faygo) Clark (Sacramento), Anthony Krzywicki (Ventura)

Randy Hicks (Sacramento) offers an amendment to include competitive bidding for an auditor.

Jewel Krzywicki (Ventura) offers an amendment to use the term "or year or fiscal."

The amendment proposed by Randy is not accepted, but the amendment proposed by Jewel is accepted.

Sanda and Tim have outstanding concerns for which they are unwilling to stand aside, so the item goes up for a vote:

1 - yes	16 - yes	31 - yes	46 - yes
2 - no	17 - yes	32 - yes	47 - abstain
3 - no	18 - yes	33 - yes	48 - yes

Yes - 47

No - 5

Abstain - 4

Not Present - 1

Amended Item is approved with approval by 90% of those voting yes or no (52 yes and no votes combined). Threshold for voting is 2/3rds (66.6%) per GPCA Bylaw 7-2.3(a).

2:05 pm Discussion: Registering People Green: Favorite Tips from the Counties. (GROW)

Voter Registration is one of the ways the GPCA stays on the ballot in California, as well as a way to both help activate a new county and to sustain an existing county Green Party. Counties will present their favorite strategies for registering people green. All counties will get unique awards for their tips later in the day.

** ** *

2:50 pm Discussion: Beginning a whole-scale re-evaluation of the existing GPCA Bylaws. (Bylaws Committee)

The Bylaws Committee will present an analysis of the legal requirements for the GPCA Bylaws under State law and provide an overview of our existing Bylaws. The Committee does not plan to debate the specifics of possible changes during this session, but rather to introduce a process whereby the Committee will be seeking input on a broad array of subjects and concepts.

3:55 pm Decision: Proposal: [Bylaws Amendment: Amend Article 7 of GPCA Bylaws.](#) (Yolo County)

Greg Jan (Alameda) offers an amendment to change the section about proposals to refer to the authority to submit proposals.

The suggested amendment is accepted by Yolo County.

Greg also recommends dropping 2/3rd of Delegates requirement because it is too high - drop it and make it say a majority of Counties when the language comes up again.

A discussion ensued.

Greg's second proposed amendment is accepted by Yolo County.

Additional questions are answered and affirmations are expressed.

A third amendment is offered by Greg to reference alternates more frequently and to delete the word "fiscal" where the General Assembly Delegates are referenced and replace it with the phrase "for one year."

Greg's third proposed amendment is accepted by Yolo County.

Quorum Count - All delegates 1-57 are present at 4:59 pm.

Concerns - Tim Laidman (Contra Costa) is willing to stand aside - he thinks this level of detail is better evaluated as part of the SGA than a GA vote.

Approved by consensus.

- Proposal: Platform Plank: [Water plank](#) [proposed]
- Proposal: Platform Plank: [Land Use plank](#) [proposed]
- Proposal: Platform Plank: [Food and Fiber Systems plank](#) [proposed]

** ** *

The proposed FOOD and FIBER SYSTEMS PLATFORM PLANK is discussed 1st:

Shane advises that the Platform Committee made some changes to the Food and Fiber Systems platform - these changes are then reviewed by Shane.

The Platform Committee agrees to a series of amendments to also add the following concepts, as discussed: adding the concept of carbon capture to bullet, adding the concept of economic justice and just transition for workers to bullets (Rachel Bruhnke/Los Angeles), adding references to farm worker protections (James Clark/Sacramento), amending the bullet pertaining to plant breeding operations and laboratory-based genetic manipulations (Peggy Koteen/San Luis Obispo). These are accepted with the exception of the farm worker, economic justice proposal for which the Platform Committee opts to instead include a reference to the workplace safety plank. Additional amendments are offered with respect to a reasonable time line and the language relating to legislation. These proposed amendments are also accepted by the Platform Committee. All accepted amendments are incorporated into a [revised draft](#). There are no additional questions or concerns.

The Food and Fiber Systems plank, as amended, is approved by consensus.

** ** **

Next, the proposed WATER PLATFORM PLANK is discussed.

A lively discussion ensued in which affirmations, concerns and questions were raised.

The Platform Committee commits to address the concerns that were raised and bring this back to the SGA.
