Greening the Healthcare Sector Forum 30 NOV 2021

ROYAL BRISBANE AND WOMEN'S HOSPITAL + ONLINE

caha.org.au/forum2021

We are delighted to open abstract submissions for the *Greening the Healthcare Sector Forum 2021*. This event will take place on 30 November in Brisbane and online.

About the Forum

The Climate and Health Alliance/GGHH Pacific Region and UnitingCare are partnering to bring the annual *Greening the Healthcare Sector Forum* to Queensland for the first time. With support from Metro North Health, the event will take place at the Royal Brisbane and Women's Hospital Education Centre, on Turrbal and Jagera/Yuggara country (Herston, Brisbane), as well as the full experience being available online.

This year's theme is '*Working towards a net zero emissions, climate resilient, equitable and environmentally sustainable healthcare sector: ensuring good health for all*'.

The one-day Forum will feature research, practices and policy to support the transition to net zero carbon and environmentally sustainable healthcare, and showcase practical examples of environmentally sustainable healthcare in action.

Call for abstracts

Forum organisers invite health and aged care environmental champions, researchers, students, suppliers, contractors, health and sustainability experts and leaders from across Australia and New Zealand to submit abstracts for presentation either in person or online.
