B70 6NT

Date: 14 Feb 2018

Dear Tom Watson MP,

Member of Parliament Enquiry MP66853727 "Proposed sleeper factory at Bescot Rail Yard"

Thank you for copying me into your letter to Network Rail which outlines residents' concerns in respect of the proposals.

For information, Sandwell Council has not yet received a planning application for the concrete sleeper facility but I will ensure that you are formally consulted if/when a submission is received.

I trust you find this satisfactory but should you require any more information on this matter please do not hesitate to contact Mike Nicholls on 0121-569 4043.

Yours sincerely,

Jan Britton
Chief Executive
