[Welcome, Carl Petersen](#) [Update Profile](#) [Logout](#)

Instruction:

Applications that you have saved display in the list below. If the application has a status of 'Submitted,' the school can now review it. You can view it, but will not be able to make changes. If the application has a status of 'Saved, but not submitted,' you can still make changes. The application will not be available to the school until you choose the Submit option at the bottom of the application. To add an application for another child, click New Application. You can copy information such as address and phone from the child you select to the new application by selecting the 'Copy basic information from' option.
