QUESTION: How do I know if I have to go to Summer School?

ANSWER: The following list shows NVMI student ID numbers of those who must attend summer school. Summer School starts for everyone (Middle School Group 1, Middle School Group 2 and High School - all EXCEPT MIDDLE SCHOOL ROBOTICS) on JUNE 4 at 8AM. Middle School Robotics starts June 11 at 8AM.

ID	Summer School Group
11027	High School
11053	High School
11078	High School
11167	High School
11173	High School
11177	High School

QUESTION: When is summer school?

ANSWER: If you find your student ID number on the list for summer school, it will have one of several different codes next to it; each code means something different:

MIDDLE SCHOOL ROBOTICS – You are a middle schooler who failed multiple classes and you have been assigned to our special ROBOTICS program that will meet from 8AM – 4PM Monday through Friday June 11 through July 13. You must attend all ALL TWO HUNDRED HOURS of the robotics course to make up all of your failing grades.

MIDDLE SCHOOL GROUP ONE – You failed one or two classes and must attend summer school every day from 8AM - 12NOON June 4 through July 27.

MIDDLE SCHOOL GROUP TWO OR HIGH SCHOOL – You failed three or more middle school classes or one or more high school classes and must attend summer school every day from 8AM – 12 NOON June 4 through July 6 and then all day from 8AM – 4PM July 9 through July 27.

QUESTION: Do I really have to pay for Summer School?

ANSWER: You do not have to attend NVMI's summer school. You are welcome to enroll in any free ACCREDITED summer school programs elsewhere. Just be sure you have communicated your plan to Dr. Ryan before you enroll there so we can be sure you are taking the correct course(s). BUT, if you choose to enroll at NVMI's Summer Program, it costs \$50 per middle school class and \$100 per high school class. The Robotics class costs \$150. These fees pay for the online program fees and for the teacher support you receive during Summer School. NVMI does not make any profit off of summer school, but our budget will not allow us to offer these optional programs free of charge. Only cash or credit/debit card are accepted in the main office. Monies (or a work schedule as described below) are due before you begin classes. Note that Special Education students do not have to pay for summer school if summer school is included in their IEP.

QUESTION: What if I can't afford it?

ANSWER: You can choose to work for the cost of summer school instead of paying cash. Students earn \$5 per hour and parent earn \$10 per hour for their service. Arrange a work schedule with Dr. Ryan directly to pay for summer school in work hours instead of cash. You will be helping with various tasks, including cleaning desks, preparing textbooks for re-issue, organizing offices and the library and book room, etc.

QUESTION: What is the uniform for summer school?

ANSWER: Complete, proper PT uniform, with blackshoes, white socks, black shorts, black NVMI pants, red NVMI t-shirt, NVMI PT jacket (and adherence to hair and grooming standards, including haircut, no jewelry, makeup, etc).

QUESTION: Where will the bus pick us up?

ANSWER: There is NO BUS TRANSPORTATION provided for summer school.

QUESTION: What about breakfast and lunch and snack?

ANSWER: Lunch will only be provided July 9-27 only. We are not able to provide breakfast or lunch or snack at any other time.

QUESTION: What room will I be in and who will be my teacher?

ANSWER: You will find out this information the day you report for summer school.

QUESTION: What school supplies should I bring?

ANSWER: Notebook paper and pen/pencil.

QUESTION: Can I get demerits during Summer School?

ANSWER: Yes, and if you earn more than five demerits you can be dismissed from Summer School. Those demerits are only for summer school and don't count as part of the regular school year.

QUESTION: What happens if I don't go to summer school or am absent or tardy too much?

ANSWER: You will have to repeat the grade you are currently in.

QUESTION: What if I still have questions? Who should I call?

ANSWER: Call Dr. Ryan on his cell phone at 323-217-4481 or send him an email at mryan@novamil.org (mailto:mryan@novamil.org). @uperintendent 81 or email me any questions about Renee, please do not hesitate to call me at 323-217-4481 or email me at mryan@novamil.org (mailto:mryan@novamil.org).

HOJA DE INFORMACIÓN DE LA ESCUELA DE VERANO 2018

PREGUNTA: ¿Cómo sé si tengo que ir a la escuela de verano?

RESPUESTA: Una lista de cinco dígitos ID de estudiante de NVMI de todos los que deben asistir a la escuela de verano se publica en el sitio web de NVMI en ANUNCIOS - Summer School 2018 a partir del martes, 29 de mayo.

PREGUNTA: ¿Cuándo es la escuela de verano?

RESPUESTA: Si encuentra su número de identificación de estudiante en la lista para la escuela de verano, tendrá uno de TRES códigos diferentes al lado; cada código significa algo diferente:

ROBÓTICA - Usted es un estudiante de escuela intermedia que falló varias clases y ha sido asignado a nuestro programa especial ROBOTICS que se reunirá de 8AM a 4PM de lunes a viernes 11 de junio hasta el 13 de julio. Debe asistir a TODAS LAS DOSCIENTAS HORAS del curso de robótica para componer todas tus notas reprobadas.

REGULAR - Falló en una o dos clases y debe asistir a la escuela de verano todos los días de 8AM a 12NOON desde el 4 de junio hasta el 27 de julio.

EXTRA: fallaste tres o más clases y debes asistir a la escuela de verano todos los días de 8AM a 12 del mediodía del 4 de junio al 6 de julio y luego todo el día de 8AM a 4PM del 9 de julio al 27 de julio.

PREGUNTA: ¿Realmente tengo que pagar por la Escuela de Verano?

RESPUESTA: No tiene que asistir a la escuela de verano de NVMI. Le invitamos a inscribirse en cualquier programa de escuela de verano ACREDITADO gratuito en otro lugar. Solo asegúrate de haber comunicado tu plan al Dr. Ryan antes de inscribirte allí para que podamos estar seguros de que estás tomando los cursos correctos. PERO, si decide inscribirse en el Programa de verano de NVMI, cuesta \$ 50 por clase de escuela intermedia y \$ 100 por clase de escuela secundaria. La clase de Robótica cuesta \$ 150. Estas tarifas pagan las tarifas del programa en línea y el apoyo del maestro que recibe durante la Escuela de Verano. NVMI no obtiene ningún beneficio de la escuela de verano, pero nuestro presupuesto no nos permitirá ofrecer estos programas opcionales sin cargo. Solo se aceptan efectivo o tarjeta de crédito / débito en la oficina principal. El dinero (o un horario de trabajo como se describe a continuación) vence antes de comenzar las clases. Tenga en cuenta que los estudiantes de Educación Especial no tienen que pagar por la escuela de verano si la escuela de verano está incluida en su IEP.

PREGUNTA: ¿Qué pasa si no puedo pagarlo?

RESPUESTA: Puede elegir trabajar por el costo de la escuela de verano en lugar de pagar en efectivo. Los estudiantes ganan \$ 5 por hora y los padres ganan \$ 10 por hora por su servicio. Organice un horario de trabajo con el Dr. Ryan directamente para pagar la escuela de verano en horas de trabajo en lugar de dinero en efectivo. Ayudará con varias tareas, como limpiar escritorios, preparar libros de texto para volver a publicar, organizar oficinas y la biblioteca y la sala

de libros, etc.

PREGUNTA: ¿Cuál es el uniforme para la escuela de verano?

RESPUESTA: Uniforme PT completo y completo, con blackshoes, calcetines blancos, shorts negros, pantalones NVMI negros, camiseta roja NVMI, chaqueta NVMI PT (y cumplimiento con los estándares de peluquería y arreglo personal, incluido corte de pelo, sin joyas, maquillaje, etc.).

PREGUNTA: ¿Dónde nos recogerá el autobús?

RESPUESTA: No hay TRANSPORTE DE AUTOBÚS provisto para la escuela de verano.

PREGUNTA: ¿Y el desayuno, el almuerzo y el refrigerio?

RESPUESTA: El almuerzo solo se ofrecerá del 9 al 27 de julio solamente. No podemos proporcionar el desayuno, el almuerzo o el refrigerio en ningún otro momento.

PREGUNTA: ¿En qué habitación estaré y quién será mi maestro?

RESPUESTA: Descubrirá esta información el día que se presente para la escuela de verano.

PREGUNTA: ¿Qué útiles escolares debo llevar?

RESPUESTA: Papel de cuaderno y bolígrafo / lápiz.

PREGUNTA: ¿Puedo obtener deméritos durante la Escuela de Verano?

RESPUESTA: Sí, y si gana más de cinco deméritos puede ser expulsado de la Escuela de Verano. Esos deméritos son solo para la escuela de verano y no cuentan como parte del año escolar regular.

PREGUNTA: ¿Qué sucede si no voy a la escuela de verano o si estoy ausente o llego tarde demasiado?

RESPUESTA: Deberá repetir la calificación en la que se encuentra actualmente.

PREGUNTA: ¿Qué pasa si todavía tengo preguntas? ¿A quién debo llamar?

RESPUESTA: Llame al Dr. Ryan en su teléfono celular al 323-217-4481 o envíele un correo electrónico a mryan@novamil.org (mailto:mryan@novamil.org).
